

Brown Eyed Girl

Hey, where did we go, days when the rains came
Down in the hollow, playin' a new game
Laughin' and a runnin', hey, hey, skippin' and a' jumpin'
In the misty mornin' fog with our hearts a thumpin and you

My brown eyed girl--you, my brown eyed girl

Whatever happened to Tuesday and so slow
Goin' down the old mine with a transistor radio
Standin' in the sunlight laughin', hidin' behind a rainbow's wall
Slippin' and a' slidin' all along the waterfall with you

My brown eyed girl--you, my brown eyed girl

Do you remember when we used to sing--sha la la.....

So hard to find my way, now that I'm all on my own
I saw you just the other day--my, how you have grown
Cast my memory back there, Lord
Sometimes I'm overcome thinkin 'bout
Makin' love in the green grass behind the stadium with you

My brown eyed girl--you, my brown eyed girl

Do you remember when we used to sing--sha la la.....

Different Drum

You and I travel to the beat of a different drum

Oh, can't you tell by the way I run
Every time you make eyes at me, woh, oh

You cry and moan and say it will work out
But honey child I've got my doubts
You can't see the forest for the trees

*Oh, don't get me wrong, it's not that I'm knockin'
It's just that I'm not in the market
For a boy who wants to love only me*

*Yes, and I ain't saying you ain't pretty
All I'm sayin's I'm not ready
For any person, place or thing
To try and pull the reins in on me*

*So, goodbye, I'll be leavin', I see no sense
In this cryin' and grievin'
We'll both live a lot longer if you live without me*

Interlude

Repeat italicized sections

So Far Away

So far away, doesn't anybody stay in one place anymore
It would be so fine to see your face at my door
It doesn't help to know you're just time away
Long ago I reached for you and there you stood
Holding you again could only do me good
How I wish I could, but you're so far away

One more song about moving along the highway
Can't say much of anything that's new
If I could only work this life out my way
I'd rather spend it being close to you...

**But you're so far away, doesn't anybody stay in one place anymore
It would be so fine to see your face at my door
It doesn't help to know you're so far away
Yeah - eah, you're so far a - way**

Traveling around sure gets me down and lonely
Nothing else to do but close my mind
I sure hope the road don't come to own me
There's so many dreams I've yet to find...

CHORUS

Hey, you're so far away...
